

	Montana Mental Health Nursing Care Center Policy Manual	Policy Number	1003
		Original Date	05/16/1983
		Revised Date	08/12/2016
	Department: Housekeeping	Pest Control	

POLICY:

A professional pest exterminator will be utilized to control vermin within the building.

PROCEDURE:

1. An exterminator will visit the premises monthly. All sprays and products are government approved.
 - A. The exterminator will be accompanied by the Housekeeping Supervisor or designee.
 - B. If a problem arises between visits the Housekeeping Supervisor will contact the exterminator company to request additional service.
 - C. Residents will not store perishables in their room unless care planned otherwise.
 - D. Staff will eat in designated break areas and dispose of extra foods in appropriate disposal receptacles.
 - E. No outside plants will be brought inside in the resident living areas.
